"Fresh Dicers. Seasoned to perfection. Ask for Cinnamon!"

"Just as long as you're not Cinnamon's next meal!"

Cinnamon.

"Thing becomes the watchers of those fishies!"

"Fresh Meat!"

"Hold it right there, you little rascals," screeched the old fish seller. "Pay for that!"

If it wasn't you then what could it have been?
This is most certainly a tragedy with most of its roots in Pandapaw!
Your blood is the proof of your guilt!
If I was so able, why are you still alive?
Because I'm awesome!
Because I'm awesome!
Because I'm awesome!

I've broken all the seals already, we can get inside

It might be, no. it will be for the better

Are you sure you want to do this dear. the world will change and it might be for the worse

This is the only way I can think of that might work

I'll take responsibility

what if it doesn't?

No, it's our responsibility, I'll do it for you

for her

I don't trust whoever told you about this, but I trust you

I'll awaken it

The eyes are so strange.. were they always opened like that?

They should have decomposed already. after 600 years, and yet!

Awaken!

No signs of life. might've been too late.

I was told to just leave it be. even if something did happen...

what?

let's just go

We'll find out soon enough
